Letter to the Examiner

Sir:

Applicants wish to correct clerical errors which have recently been detected in the PTO-1449's filed on 9 Feb 2006 and 13 Jun 2006. In the PTO-1449 filed 9 Feb 2006, citation to USPN 4818279 (entry #1) is in error. The correct patent number, USPN 4818270, was submitted in the IDS and PTO-1449 filed 26 April 2006. On the same PTO-1449, citation to PCT Publication WO04/014899 (entry #42) is also believe to be unnecessary inasmuch as that is the PCT publication of the instant application. In the PTO-1449 filed 13 Jun 2006, citation to Corral et al., J. Het Chem; Sep 1987; 254:1301 (entry #7) is duplicative of entry #3 on the IDS and PTO-1449 filed concurrently with the application. Applicants regret any inconvenience to the Examiner. The Examiner is invited to contact the undersigned if there are any questions in this matter.

Respectfully submitted,
